Mr. Watson,

Thanks for prompt reply. I will go ahead and write an allowance based on this amendment and put it forward for my supervisor. Thanks

The inclusion of the limitations from claims 3 and 5 are too limiting. However, we accept the inclusion of claim 4 into claim 1. Please see the updated proposed amendment.

Mr. Watson,

Please have a look at my suggestions. I believe it puts the claims in better condition of allowance. If you choose to accept this, you can in a similar manner rewrite the other independent claims, if applicable. Thanks
